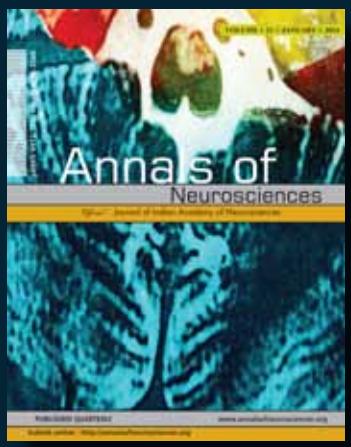
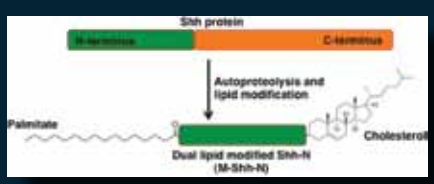
VOLUME 21 NUMBER 1 JANUARY 2014



On page 01, need for innovation in medical institutions

On page 5, H & E stained section of rat cerebellum



On page 28, Dual lipid modification of Shh protein

ANNALS

Editorial

01 **need for innovation in medical institutions**

Akshay Anand

Commentary

03 **medical education and training: implications for india**

Akshay Anand and Sridhar Bammidi

Research Article

05 **Docosahexaenoic acid ameliorates aluminum induced biochemical and morphological alteration in rat cerebellum**

Manisha Chaudhary, Devesh K Joshi, Sandeep Tripathi, Shobha Kulshrestha and Abbas A Mahdi

10 **Therapeutic benefits and side effects of Azathioprine and Aspirin in treatment of childhood primary arterial stroke**

Ali A Alhaboob, Gamal M Hasan, Muhammad A Malik and Muhammad Z Rehman

14 **Glutamate gated spiking Neuron Model**

Krisha M Deka and Soumik Roy

19 **Prenatal desvenlafaxine induced behavioural alterations in swiss albino mice**

Amrita Kumari, Mandavi Singh, Anshuman Trigunayat, Anand Mishra, Shamsher Shrestha and Uttam Shrestha

Journal Club

22 **Focal delivery of AAV2/1-transgenes into the rat brain by localized ultrasound-induced BBB Opening**

Ankur Tyagi

Classics

23 **Norton's pagination**

Chauncey Wright

Comprehensive Review

28 **Sonic hedgehog signalling pathway: a complex network**

Zia Choudhry, Azadeh A Rikani, Adnan M Choudhry, Sadaf Tariq, Fozia Zakaria, Muhammad W Asghar, Muhammad K Sarfraz, Kamran Haider, Afia A Shafiq and Nusrat J Mobassarah

VOLUME 21 NUMBER 1 JANUARY 2014

Report

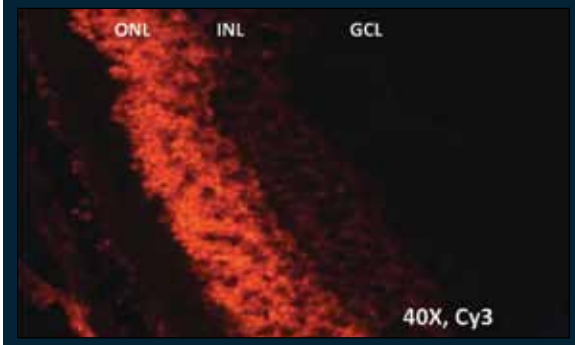
32 **IAN 2013 in Allahabad**
Rahul Tyagi

Case Report

34 **Atropine poisoning mimicking septicemia**
Prakashchand Agarwal, Shaifali Bansal, Anjali Sharma and Vijay K Saini

Molecular Shots

36 **Immunohistochemistry of Bcl2 expression in NMDA injured retina**
Neeru Jindal



On page 36, Expression of Bcl2 in NMDA injured retina
